VETERINARY QUESTIONS

26. VETERINARY ASPECTS « A »

Since 1 January 2005, all horses competing in FEI competitions require an influenza vaccination within six months + 21 days of the competition.

- 1.** All horses intending to participate in FEI competition must have at least received an initial primary course of two vaccinations, given between 21 and 92 days apart. Thereafter, a third dose (referred to as the first booster) must be given within 6 months and 21 days after the date of administration of the second primary dose, with at least annual boosters given subsequently (i.e. within 365 days of the last dose).
- 2.** If the horse is scheduled to take part in an FEI competition, the last booster must have been given within 6 calendar months + 21 days of arrival at the FEI event. (The 21-day window has been provided to enable vaccination requirements to fit in with the competition schedule.)
- 3.** No vaccination shall be given within 7 days of day of arrival at the FEI event.
- 4.** All horses that were certified as correctly vaccinated under the previous FEI equine influenza vaccination rule prior to 1 January 2005, do not need to start a primary course again provided that they have complied with the previous rule of primary course and annual re-vaccinations and the new rule of a booster vaccination within 6 calendar months + 21 days of the day of arrival at the FEI event.

27. VETERINARY ASPECTS « B »

A) Sanitary arrangements with the importation of the horses

The Competent Veterinary authority will be ASL of Rho (Milan). Any participant to the competition must strictly follow the instructions from the Veterinary Service of CAVALLI a MILANO. We remind to respect the following rules:

- Horses must be accompanied by identification document (passport) as requested by decision 93/623 CEE, of 2000/68 and of rules 2008/504 CEE.
- NEW – Equine Influenza Vaccination
 - a) All horses taking part must be vaccinated as per the FEI Vet. Regs. Annex VI updated 1st September 2009.
 - b) All information regarding the Equine Influenza is available on FEI website, under the link:
<http://www.horsesport.org/veterinary/vaccinations-and-health-requirements>
 - c) Official veterinary health certificates on the International Form issued from the official veterinary health authorities of the Country of origin:
 1. for horses from European Countries see Annex B of Council Directive 1990/426 EC and subsequent amendment (please remember that this Annex B still in force only 10 days);
